

Dear G8b,

You almost made it and it's our final week of home-schooling. Next week, most of you will be back in school! I can't wait to start teaching you guys again. But until that day, you will get some exercises! Please make sure to hand them in!

I hope to see you soon – Mrs Erkoc

Group writing: How the story continues

- 1) Get into online-groups of three students.
- 2) Each one of you will write a diary entry (170 words) to one of the following headlines
 - a. A broken wagon wheel
 - b. A lard herd of bison
 - c. A group of Native Americans that is coming towards the settlers
- 3) Write your diary entry. Think about what you found out about Lilly's feelings. Use adjectives and adverbs to express her feelings and thoughts.
- 4) Exchange your diary entries (online) and give each other feedback. Combine your diary entries into one file (Dokument) and send them in by Friday 8:00 pm.
- 5) Imagine smartphones were available in the 19th century. Read your diary entry again and think of two tweets she might have posted on Twitter. Post those tweets in our Teams Group.
